This project is part of the “Year of German-American Friendship” initiative in 2018/19. The “Year of German-American Friendship” is a comprehensive and collaborative initiative of the Federal Foreign Office, the Goethe-Institute, and with support of the Federation of German Industries (BDI), highlighting the decades long relationship grounded in common values, interests, and goals. Additional information may be found at the Deutschlandjahr USA website at <https://wunderbartogether.org> and at <https://www.sistercities.org>
